

PRESS RELEASE

Date: 5th November 2007

GOUGH'S SET OFF WITH SENECA

Gough & Co, a specialised private practice law firm based on the Isle of Man has selected the Seneca Case and Practice Management solution from **emis intellectual technology™** to replace four existing systems. The solution is targeted at delivering an integrated software application that will tie together all the activities of the firm in managing client cases and internal operating practices and finances.

Seneca's tight integration with Microsoft® Office and Outlook e-mail will enable the firm to re-use existing document templates and capture electronic communications with clients to build a complete audit of activities and outcomes.

Chris Spencer, Solicitor & Development Director said:

"emis intellectual technology™ look forward to working closely with Gough & Co to ensure a successful project implementation and knowledge transfer that will enable the practice to manage the evolution of the solution in line with future business conditions."
