

## PRESS RELEASE

### Picton Howell Choose Seneca

Specialist London based international law firm Picton Howell LLP have chosen Seneca CM from emis intellectual technology as their new integrated Contact, File, Activity, Practice Management and Digital Dictation system.

Picton Howell is a London based law firm specialising in international financial services, IT, e-commerce and media, insolvency and corporate recovery.

The new technology is intended to further enhance the firm's reputation with its international client base.

Speaking for Picton Howell, Partner, Teja Picton Howell said:

*"We are excited about this procurement and the way in which we will be able to integrate systems across the firm and enhance the work we do on a day to day basis."*

Chris Spencer, solicitor and development director of emis says

*"We are delighted to be working with another key player in this exciting part of the legal market"*
